

ANCIENT RUINS

Ancient Ruins IV

Tips & Tricks

- Watch closely how the guards are moving. The fight is easier if you ambush them.
- The guards' iron helms impair their field of view – Exploit this weakness and ambush them!
- There are three different ways to get to the Cup of Creed. The challenging ways are only open to you if you have gathered enough experience.
- There is a spy among the guards of the earl. He will give you some helpful information.
- They will trap you in the throne room and put you into prison! Prove yourself in the arena to get out of the prison. But you can also try to juggle at the bars...
- Some barrels keep useful things.
- You will find important information in the mansion of the mayor. The spy can bring you in there.
- When you are out of prison take a closer look at the arena...
- The way back from the castle will always be different.
