ADVENTURE

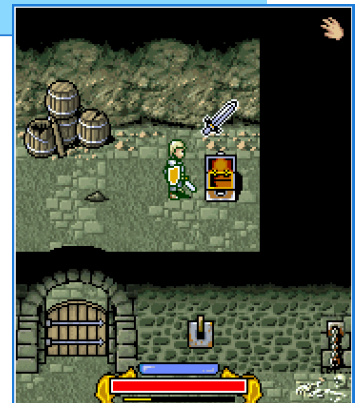

### GAME DESCRIPTION

After his journey in the kingdom of Prince Vor and the destruction of the Black Citadel, Kilagu is on his way back home to the Wind Islands. But new events are about to trouble his travel.

On the ship taking him back home, Kilagu encounters strange characters worshipping a spooky divinity. Our hero will not manage to get back home... When he regains consciousness, after one night on the ship, he is alone on the deserted coast of an unknown land. On his arm, a scarlet mark is blazing, depicting the shape of a suffering face.
