

EQM DOMINO ISLAND

Description

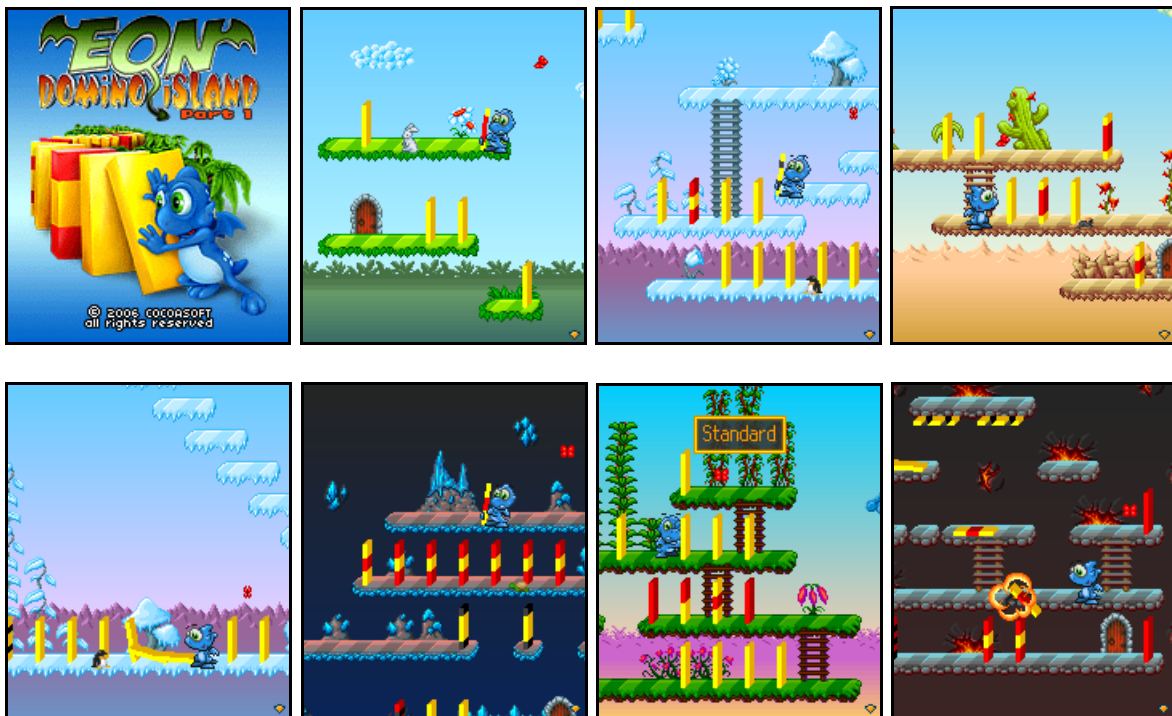

Eon the Dragon, the young but brave explorer, finds himself in brand new adventures on Domino Islands, where he is challenged by entertaining and absorbing puzzles, accompanied by striking graphics and cheerful music, all of which is bound to offer the player with hours of entertainment.

Conquer over 30 levels that span on three distinctive fantasy islands filled with unique dominoes that create fun and playable puzzles. Play in story mode and help Eon avoid all of the obstacles and return home or choose to play any of the puzzles in the free play mode.

Features:

- 30 levels filled with puzzles
- 3 distinctive worlds with cartoon-like graphics
- Eon the Dragon theme music and a number of new melodies accompany the game
- context help and detailed tutorial
- FLIP(tm) – Fast Learning and Interactive Play
- auto saved progress – start where you ended previously
