

FRUNNY Springbreak

Story

It's Spring again and Frunny has lots to do with this year easter season. He must keep an eye on all the eastereggs because Jeff and Marcy are around and want to grab them all.

As if Frunny hasn't got enough to do. He hid all the easter eggs but they were discovered and picked up by the two kids Jeff and Marcy although it is not yet easter. Help Frunny to collect all eggs and bring them to the towers. But be careful! Jeff and Marcy will shoot at you with old carrots to get back the eggs. Also big rolling stones, monster fire cone's and wasp mushrooms will complicate Frunny's job.
