

LITTLE NINJAKING

Story

Darkness surrounds the small village near the snow covered mountains. The powerful dark dragon "Xarayon" has attacked again and this time he has stolen all magical scrolls of wisdom out of the holy shrine which were the center of life in the village.

The village's master shows Little NinjaKing the way, the dragon has left the village. The small path leads east into the snowy mountains to the Tower of Wuang-Chong. Fight against the dragon, find the scrolls of wisdom and return them into the shrine to rescue the village.
